Gen. Wilson:

1. Para 3 in Tighe's message stated as immediate interim actions, DIA would begin indexing CIA ORCON documents in the DIA index, and DIA would begin processing and disseminating CIA ORCON reports under the same procedures formerly used for documents marked "No Dissem Abroad" plus "Background Use Only."

2. Para 4 stated DIA intended to implement these procedures 29 January unless CIA had overriding objections.

3. Eloise Page is objecting to this action by DIA. I assume DIA will postpone such a move pending further negotiations.
